

Course Equivalencies for Life Sciences Majors - Life Sciences South Administration

Revised 02/12/14

RED FONT = NEWLY EDITED ARTICULATED BEGINNING Fall 2013

All equivalencies are for life sciences majors; physical science majors may have different equivalencies.

Articulation agreements are from www.assist.org.

Former articulations are in the Archive List.

Articulations updates currently in progress

LIFE SCIENCES: If students wish to have courses reviewed for equivalency, they should bring a copy of the complete course syllabus to the Department of Life Sciences Core Education in Hershey Hall room 222 or e-mail to articulations@lifesci.ucla.edu. Course evaluations take 2-4 weeks and results will be sent through e-mail. (Include name of school and student's name, UID number, and e-mail address.

If students receive a 4 or a 5 on their AP Chemistry test, they can choose to pass out of Chemistry 20A and go directly to 20B. If a student wants to do this, the student can come to the Chem office (4009 Young) and fill out an enrollment sheet that will override the prerequisite restriction. Even with a high score, the computer will not automatically give exemption. Students are offered the option of electing to pass out of this class because medical schools do not recognize AP credit as part of their requirements; therefore pre-med students SHOULD take Chemistry 20A at UCLA. Students do not have the option of passing out of 14A and must continue in the 20 series if they elect to pass out of 20A.
